ALL-SPORTS AWARDS

The Mary McLeod Bethune Award, named after the founder of Bethune-Cookman College, awards the top overall women's athletic program during the course of one full academic year. The first Mary McLeod Bethune award was given in 1987 to Delaware State University. Former member Hampton leads all MEAC schools with 14 Women's Awards. The men's All-Sports Award is named after the late Talmadge Layman Hill, a former player and coach at Morgan State, and former Chairman of the MEAC Steering and Planning Committee, as well as the conference's first President. Howard University was the recipient of the first Talmadge Layman Hill Award in 1972. South Carolina State holds the men's record with 11 awards from 1973-84.
